About the Project

Creative expression through art can bring a sense of calming, wonder and joy. During these uncertain times, we feel strongly that support for the arts, especially arts education for children, is critical to helping them deal with the unprecedented challenges they face daily.

**Black Box Fund** and **Arts @ Large** have collaborated to bring you “My Art Bag” project kits for children in Milwaukee. This series of six different bags for children ages 3 to 13 will contain a variety of art supplies, an age-appropriate book and art curriculum specifically tied to the book.

We hope that the contents of this bag will provide you and your child the opportunity to ignite the creative spark that lives in the heart of everyone – regardless of age.

Share your work with us! #MyArtBagMKE
