

PROGRAM DESCRIPTION

The Arts @ Large Community Center, located in Walker's Point in Milwaukee, is the perfect destination for school field trips. Field trip activities will be uniquely created around current exhibitions using our state of the art facilities, including two art studios, gallery space and performance stage.

EXHIBIT WORKSHOPS

Arts @ Large Exhibits transition quarterly, bringing in new content to discover and explore. Workshops will be created specific to grade bands that include the current work featured in the exhibit.

FEATURED ACTIVITIES

Peacemaking, Eco-Literacy and Civil Rights are the cornerstones of Arts @ Large programs. Workshops exploring content in each of these areas will be available year round.

INDIVIDUALIZED TRIPS

Do you have an idea!? Share it with our team and we can work to create a customized workshop for your students, utilizing our state of the art facilities.
